Ysgol Bryngwyn School

Exams Extra

May 2025

Year 11 Leavers Assembly

From Monday 2nd June 2025 year 11 pupils will only need to attend school to sit their timetabled examinations.

As year 11 approach their final few days of timetabled lessons we turn our attentions to marking the significant milestone of the completion of their compulsory education.

This is a moment that has been traditionally marked by the signing of shirts and a final opportunity for us to reflect as a group, on the significant contributions they have made to the Bryngwyn community and the journey we have travelled together. As always this is carefully arranged to ensure ***all*** pupils can attend and to minimise disruption or distraction from the busy exam schedule that the students are working their way through. This year ***Friday 23rd May*** will be our opportunity to come together to reflect on this momentous occasion.

Following on from the morning's exam, pupils will be invited to remain on site and attend our Leavers Assembly. Year 11 pupils will have the opportunity to gather together one last time as a year group to reflect on their time at Bryngwyn School. They are also invited to bring in a spare school shirt for signing and well-wishing messages. This will take place at set times during the school day and will be directed by Mr Edwyn Davies. Please keep in mind that school uniform will still be required for all exams and we therefore ask that each student has enough uniform to be able to complete their forthcoming exams.

We understand that this will be both an emotional and exciting occasion as pupils reach the end of their compulsory education. We must however remind all involved that for the rest of the school regular lessons will continue and the highest standards of behaviour are expected throughout the day.

We hope that all pupils are able to attend as we mark the end of their five-year journey with us at Bryngwyn and to wish them every success in the next steps that they take. We hope that our school ethos has not only provided them the best opportunities for academic success but has also prepared them for their continued journey through life.

Mr Ben Tyler

Assistant Headteacher
