Dear Parent/Carer,

We are excited to announce that as part of the Bryngwyn Curriculum, Year 7 pupils will be taking part in Freedom Fortnight from 15th January. During this curriculum project, learners will explore a big idea in learning through each AOLE (Area of Learning and experience). This year's big idea is '**COURAGE**' and all learners in Year 7 will be taking part in a range of learning experiences to discover what courage looks like and how they can develop their own courage in learning.

As learners take part in Freedom Fortnight 2024, they will continue to develop a range of skills that will culminate in a showcase activity where they will have the opportunity to bring their learning together in one challenge.

Underpinning Freedom Fortnight are the four purposes of our curriculum, and this curriculum experience will support learners' continual development as:

- Ambitious, capable learners ready to learn throughout their lives
- Enterprising, creative contributors, ready to play a full part in life and work
- Ethical, informed citizens of Wales and the World
- Healthy, confident individuals, ready to lead fulfilling lives as valued members of society.

What you need to know:

- Pupils will follow their normal timetable and all activities will take place during lesson time.
- Pupils should come equipped as usual to take part in lessons.
- During PE lessons, pupils will be outdoors and so please ensure learners bring a PE kit in their bag as well as a suitable coat.
- We look forward to sharing some of the pupils' experiences and activities with you following Freedom Fortnight.

We hope that your child will find this experience beneficial in their learning and will help them to see how developing courage in learning can enable them to make progress. We would like to ask that you continue to discuss with your child what they are discovering about the concept of courage over this fortnight.

Yours sincerely,

Mr R Jones

Head of School
