Dear Parent/Guardian,

As we embark on the new year we would like to take the opportunity to refocus our young people on some fundamental goals to help make their time at Bryngwyn a success, ensuring we are all ready to learn in an environment that meets the needs of every individual. We would like to thank you for your continued support and we were delighted to end the last term celebrating with over 70% of our learners who achieved Bronze, Silver and Gold awards for their effort and achievement points. Our aim is that many more pupils are able to achieve the top awards this term, embodying our motto 'Giving our best, to be the best'.

As a reminder, there are 5 PUCKA points awarded each week to every pupil who demonstrates a readiness and willingness to learn throughout the week:

Punctuality – ensuring we are on time to all lessons including registration.

Uniform – ensuring our uniform is correct each day.

Conduct – ensuring we only receive positive conduct points.

Kit – ensuring we have all our equipment.

Attendance – being present each day in the week.

This term, as we continue to ensure that our school community is one that we are very proud of, we ask that you would support your child by ensuring they are ready to learn and progress each day. **As the first P of PUCKA, we will be focussing closely on 'Punctuality', at the start of 2024, as we seek to develop habits within our young people that will help them as they go through life. In addition, we want to ensure that learning time is maximised, pupils are always safe and each individual is free to learn without disruption.**

We hope that you will support us in re-emphasising the importance of these basic principles and that all our pupils will gain a sense of pride in being a part of Bryngwyn, reaping the rewards of their efforts.

Once again, can we thank you for your continued support in helping Bryngwyn be a learning community that we are so very proud of.

Kind regards,

Ben Tyler
