29th February 2024

Dear Parents and Carers,

We hope this letter finds you well. We would like to inform you that our school has been selected to take part in a pilot visit next week with Estyn, the education and training inspectorate for Wales. The visit is scheduled to take place over two days from **Wednesday 6th to Thursday 7th March**.

The purpose of this visit is to focus on various aspects of our school, including key areas such as teaching and learning, curriculum delivery, and learners' experiences. This is an opportunity for us to gain helpful feedback to ensure that we maintain high standards of education and provide the best possible learning environment for all our learners.

During the visit, inspectors will observe lessons, review documentation, interview staff and pupils, and share their findings to help us identify areas of strength and some questions to guide our future initiatives and development plans.

Please be assured that we are committed to ensuring that the process runs smoothly and that our pupils' learning experiences are not disrupted. We will make every effort to minimise any inconvenience during this time.

As ever, we are hugely appreciative of your continued support and value the way we work together to provide the best possible education for our learners. Should you have any questions or require further information, please do not hesitate to contact us at enq@bryngwyn.cymru or by telephone on 01554 750661.

With very best wishes,

Mr RS Jones

Head of School
