Dear Parents and Carers,

As we come to the end of this half term, I would like to take the opportunity to thank you for your continued support and to celebrate what has been a highly successful and productive period for our school community. We are immensely proud of our pupils, who have showcased their talents across a wide range of activities. Many have represented the school with distinction in a variety of sporting fixtures and academic events, truly embodying our school motto of *"Giving our best to be the best."* Their commitment, enthusiasm and achievements reflect the high standards we continue to promote at **Ysgol Bryngwyn**.

A particular area of improvement this half term has been attendance. We have seen encouraging progress, and we are grateful to parents and carers for the vital role you play in supporting this. However, we recognise that there is still more to do. Good attendance remains crucial to pupils' progress and wellbeing, and we will continue to work closely with families to ensure all learners attend school regularly and consistently. Similarly, we have seen improvements in pupils' punctuality to lessons. This is making a positive difference to learning, ensuring that pupils maximise their time in lessons and engage fully from the outset.

In school, we continue to focus on improving the quality of teaching and learning. This half term, staff have been working hard to provide high-quality learning experiences for all pupils, with a particular emphasis on developing questioning techniques to maximise pupil responses and deepen understanding. We are already seeing positive impact in classrooms through increased engagement and more thoughtful contributions from learners.

As we move further into the examination season, I would like to wish our Year 10 and Year 11 pupils the very best of luck. Their examinations are now underway and will conclude on **17th June**. We strongly encourage all pupils to attend early bird revision sessions, which provide valuable additional support and guidance during this important time.

Looking ahead, we are eager to build on this positive momentum and finish the academic year strongly. Following half term, our summer uniform arrangements will come into place. Pupils will be permitted to wear tailored, black shorts if they wish, in line with our uniform expectations.

You will also have recently received a link regarding proposed changes to the school day. We value your views and would encourage you to take the time to provide feedback, as this will help inform our next steps. Thank you once again for your ongoing support. Together, we are making a real difference to the experiences and outcomes of our pupils and the community

Yours sincerely,  
Rhys Corcoran

Head of School
