Dear Parent/ Carer,

We wish to share with you the Year 11 after school revision/NEA catch up schedule for 2026. We have put together the subjects in a two week timetable so that your child will not have any clashes between subjects that they wish to attend. Subjects will start next week with the majority commencing after half term. If a subject is unable to run a session this information will be shared with you via edulink. There will be incentives for attendance including points and refreshments with the main incentive being increased confidence and understanding to support their revision. We look forward to your support in ensuring your child attends as many sessions as possible to benefit them as they prepare for their GCSE examinations.

Week 1				
Monday	Tuesday	Wednesday	Thursday	Friday
