

# Year 7 Parents' Evening & Showcase

## Thursday 18th April 2024

Welcome to the Year 7 Parents' Evening and Showcase at Bryngwyn. As part of our work on the New Curriculum for Wales, the Year 7 pupils have been developing their subject knowledge, cross curricular skills and learner effectiveness in all subjects throughout the year. Pupils have had a wide range of opportunities and experiences, including classroom based activities, outside learning, trips, the Transition Project, Freedom Fortnight and many more. Your child's teachers are based in Areas of Learning in the Drama Hall, Sports Hall, Dining Area and A corridor, as outlined on the attached plan. They will be available to discuss your child's individual progress in their subject and you will have the opportunity to see some examples of the learning that our pupils have done so far this year. To ensure that all parents get the opportunity to speak with as many teachers as possible, we ask that each meeting lasts no more than 5 minutes. As a school, we are tremendously proud of the progress our Year 7 pupils are making. We hope that you enjoy celebrating their successes with us this evening, and leave with a good understanding of the learning experience your child has had this year.
