21 October 2022

Dear Parent/Carer,

Wear red during PSE: Monday 24th October 2022: Support Show racism the red card

I am writing to invite all learners in key stage 3 (years 7,8 and 9) to wear something red **on top** of their full school uniform and support the above campaign on Monday 24th October during PSE (08:30 – 09:30 – wearing a red t-shirt during PSE is fine). As a Peace School, we are looking to show our support in creative and collaborative ways and the PSE sessions on Monday will be based on this theme.

More information can be found here <https://www.theredcard.org/wear-red-day>. As a school we feel that Monday offers us an ideal opportunity to raise awareness and discuss this issue as part of the PSE programme.

Furthermore, we are looking to recruit Peace Ambassadors from across all year groups for this academic year. The main focus of the role is for pupils to get involved with promoting Peace across the school and there will be many opportunities throughout the year to lead change and to make a real difference.

This is an excellent opportunity to do something different and gain valuable experience of working with a wide range of different people and groups. If your child wishes to become more involved in the Peace Schools programme and hasn't yet spoken to us, they can call into A4 at lunchtime on Monday to find out more and sign up

More information on the Peace Schools Wales can be found on the WCIA website <https://www.wcia.org.uk/global-learning/peace-schools-in-wales/#:~:text=Peace%20Schools%20is%20a%20scheme.and%20non%2Dviolent%20conflict%20re solution.>

Kind regards

Mr Haines. / Miss Heal
Peace School Co-ordinators.
