Year 10 Parents' Information Evening Tuesday 12th September 2023

Dear Parent/Guardian,

We would like to invite you to a parents' information evening on Tuesday 12th September 2023 at 6:00 pm.

Your child is now starting their GCSE courses in school and we are aware that Bryngwyn parents are keen to support and help their children; we have therefore arranged this to provide you with information regarding GCSEs and give you an overview of the two years ahead. Feedback from previous evenings suggest parents have found this information useful in helping manage the demands of the time ahead.

Mr Edwyn Davies, Head of Pupil Progress, will start with a presentation outlining the key dates and assessments in the year ahead and the support that the school provides. The head of departments for English, maths and science will outline the requirements of the GCSEs and suggest ways in which you may be able to support your child. Members of senior staff and support staff will also be available for consultation.

The assessment overview sheets which give an outline of key dates throughout the year will be available on the website after the meeting and distributed to the pupils later next week. The pupils will sit GCSE units in year 10 for some subjects as outlined. Also, it is currently planned that our year 10 pupils will aim to complete the GCSE Numeracy in summer 2024.

We continue to be proud of the excellent achievements of our pupils and the exceptional standards within Bryngwyn. Form tutors and the Head of Pupil Progress will play an important role in monitoring the well-being and progress of our year 10 pupils and welcome any communication to support our learners. We hope that we will be successful working in partnership with you to ensure that all our pupils are able to perform to their full potential and that we will all be proud of their results in summer 2024 and 2025.

K. O'Brien-Cole,
Assistant Headteacher.
