F.A.O: 9X pupils sitting early entry Welsh GCSE

Dear Parent/Carer,

As you are aware your child is currently studying Welsh 2nd Language GCSE and should complete the qualification at the end of year 9. In light of this, we would like your child to attend two revision days over the coming weeks. The first will be on Thursday 18th March and the second on Friday 26th March.

These two days will focus on supporting your child in preparation for their Welsh GCSE assessment and will allow them to continue to develop the skills required to meet the demands of any future assessed tasks. As you will be aware, GCSE examinations are cancelled for summer 2021 and have now been replaced by 'Centre Determined Grades' (CDGs). These CDGs will be awarded by teachers using a range of evidence and assessment opportunities. It is very important that your child attends these sessions.

The day will run from 8:30am until 2:30pm and school buses will be available at the usual times. Pupils will need a packed lunch, drinks and snacks as the canteen will not be open on these days. On arriving at school pupils should walk down the service road where staff will be present to greet them. They will need to enter the school via E corridor and go straight to E12 where their Welsh teacher will meet them. Breaks will be given to pupils throughout the day.

For more details on pupils' return to school you will find our newsletters on the website and Facebook pages.

On Thursday 18th March there will also be the opportunity for your child to attend the English Department for a short period of time to take part in an English Literature lesson as part of a staff recruitment process. We hope this will also be beneficial to your child in preparation for their English Literature course in Year 10.

We would like to thank you, in advance, for your support in these matters. If you do have any queries please do not hesitate to contact the school at enq@bryngwyn.cymru
