Dear parent,

We are delighted to inform you that the school will be hosting a 'World Kidney Day' event at Bryngwyn on **Thursday 9th March**. The event is in partnership with NHS Wales and Cardiff University and will involve a number of interactive, hands-on sessions for students to explore healthy lifestyles, equipment and processes used in treating kidney disease, digital technology in healthcare and virtual reality experiences.

The link below provides a full outline of the day. Our Year 9 pupils will have the opportunity to take part in these activities. During the day there will be photos/videos taken that may be used for NHS and/or school marketing purposes. Please could you let us know directly, through **enq@bryngwyn.cymru**, if you do not want your child to be included in any photo/video footage by **Wednesday 8th March 12pm**.

The day promises to be an exciting opportunity for our pupils, giving them a unique insight into NHS based careers and the latest developments in healthcare provision.

Kind regards,

Mr Rob Jones
Head of School
