Dear Parent/Carer,

We are excited to share that during the next half term we will be moving to a new mobile app for communication with home which is called the ***'My Child at School'*** app. As a result, all school based communication will be made through this app including letters, reports, attendance and behaviour.

There will be a transition period whilst we move between the two systems with ***Edulink being phased out by November 30th*** at the latest. Any documents you hold on the application e.g. school reports, will need to be downloaded if you wish to keep them as they will not move over to the new app.

During this transition period, communication will be shared via both applications and we will inform you when an end date for Edulink is confirmed.

Signing up for the new 'My Child at School' app will take place during the week beginning November 2nd and an email with instructions on how to do this will be sent to the current email address we have on our system.

If you have not received an email by the 6th November then please email via enq@bryngwyn.cymru and we will ensure you are sent instructions on how to sign up.

Kind regards,

Mr. David Rhodes

Senior Assistant Headteacher
