Dear Pupil,

During this half term you will be expected to choose the subjects you would like to study over the next two years at Bryngwyn.

In January you will have already received a detailed assembly on the options process, subjects on offer, the options website and information from your class teachers. On **Tuesday 3rd March** you will receive an assembly providing you with additional information on the final option choice process including the option blocks. Also on **Tuesday**, you will receive a booklet electronically that has been prepared so that you and your parents can read some further information about each subject before confirming your choices.

It is important that you find out what is expected of you for a worthwhile GCSE or Vocational Course. You will also be able to find out about the Skills Challenge Certificate which all pupils will study alongside their other courses.

A parents'/carers'/Option Evening has been arranged at the school on **Thursday 12th March 2026** when subject teachers will be present to discuss your progress and to answer any questions about the courses next year. I will also be available at this evening to answer any option queries.

The **OPTION FORM** will be sent out via text message and Edulink to parents on **Monday 9th March**.

This must be completed by **Monday 16th March** at the latest.

Please take time to read the booklet carefully and ask if you need any further information about any courses.

Mr D Rhodes

Senior Assistant Headteacher
